GREEN CROSS UKRAINE

January 31, 2002 the outstanding political figure, Founding President of Green Cross International, Nobel Peace Prize laureate **Mikhail Gorbachev** and President of Green Cross Ukraine, Rector of the National Music Academy of Ukraine, Professor, Academician **Oleg Tymoshenko** signed «Agreement on the Recognition between Green Cross Ukraine and Green Cross International». Henceforth, thanks to this significant event Green Cross Ukraine successfully implements the projects on the territory of Ukraine.

- SOCMED in Ukraine is intended to develop the country's population responsibility for the future of children, their physical and spiritual health.
- Program provides acquiring of self-care methods aimed to afford opportunities for people to find their own solutions and take efficient actions.
