GREEN CROSS UKRAINE

January 31, 2002 an outstanding political figure, Founding President of the Green Cross International, Nobel Peace Prize laureate **M.S. Gorbachev** and President of Green Cross Ukraine, Rector of the National Music Academy of Ukraine, Professor, Academician **O.S. Tymoshenko** signed

the "Recognition Agreement between Green Cross Ukraine and Green Cross International". Since then, thanks to this significant event, Green Cross Ukraine has successfully implemented projects in Ukraine.

On September 2-4, 2013, the city of Geneva (Switzerland) hosted events dedicated to the 20th anniversary of the Green Cross International. Maksym Tymoshenko, President of the GCU, presented to Mikhail Gorbachev, the Founding President of Green Cross International (GCI), the activities carried out by the Green Cross in Ukraine. Thanks to effective support and fruitful cooperation, the organization is able to provide assistance to families and thousands of children who are affected as a result of the Chernobyl accident in Ukraine.
